Teams up to 4 persons  
Coders of all skill levels are welcomed!

More Info / Sign Up:  
[coughacks.io](http://coughacks.io)

3rd place are for novice coders!  
Prizes include **RTX 4060**,  
**Nintendo Switch**, **Apple Watch**,  
and 9 more!

Go to our website for more details  
and register!

## **Prize Pool:**

- HTC VIVE VR Headset
- RTX 4060 Graphics Card
- Nintendo Switch
- Xbox Series S - Starter Bundle
- Apple Watch SE
- ASUS Portable Monitor
- Sony Headphones
- Raspberry Pi 5
- JBL FLIP 5 Portable Speaker
- Apple Airpods
- Glorious Model O V2 Gaming Mouse
- Logitech MX Anywhere 3S Mouse

## **Prize Distribution**

Of the prize pool, the first-place team gets the first pick, the second team gets the second pick, and so on. For determining third place, there will be a greater focus on other parts of the criteria than on technical skill. Each member of the winning teams picks a prize (not one prize per team). Among the winning team, members will decide among themselves which prize each will claim.
